Dear Ms. Brogis:

The purpose of this Notice is to inform you that personnel of the Department of Environmental Protection ("DEP") have made observations or otherwise obtained information indicating that a violation of law has occurred at the former CEE Associates aka IntelliData facility ("site"), located at 80 Pickett District Road, New Milford, Connecticut. The DEP Bureau of Waste Management conducted a site inspection on August 26, 2005 and a file review for the above site on September 1, 2005. Based upon the inspection and the file review, it appears that you have failed:

1. To notify EPA of hazardous waste activity as a party responsible for investigation and remediation at the site and to acquire the site's EPA identification number as required by section 262.12 of Part 40 of the Code of Federal Regulations (CFR).
2. To submit a revised Part A of the permit application as a new owner or operator of the facility as required by section 40 CFR 270.72(a)(4).
3. To submit a post-closure Part B of the permit application or a clean closure equivalency demonstration as a new owner or operator of the facility as required by section 40 CFR 270.1(c).
4. To submit an environmental condition assessment form ("ECAF") or an update of the ECAF as required by section 22a-449(c)-105(h)(3)(A) of the Regulations of Connecticut State Agencies (RCSA).

In addition, you should submit a revised schedule for investigation and remediation at the site.

When you have corrected the violations alleged in this notice, you should submit in writing a description of how you have corrected the violations. The submittal should be

made within thirty (30) days on the enclosed Compliance Statement, and *sent to the contact person identified below in paragraph D*. Until the DEP has received such a statement, the DEP will presume you remain in violation. If the violations cannot be corrected within 30 days, provide a schedule of compliance (that includes a timetable) on the enclosed Compliance Statement within 30 days describing the actions you will take to correct the violations. Your actions in response to this notice, including submission of the attached Compliance Statement, may affect the DEP's decision whether or not to take formal enforcement action.

- A. Other violations may exist; legal obligations. This Notice does not necessarily specify all violations of Connecticut environmental law or violations of any other legal requirements which may exist at the aforementioned property. This notice does not preclude the DEP or other state, local, or federal agencies from commencing any enforcement action regarding any such violations. Your facility may be inspected again pursuant to law and without additional prior notice to determine compliance with state and any applicable federal law. It is your responsibility to comply with all legal requirements, whether or not the DEP notifies you of any violations or takes any enforcement action against you. Nothing in this Notice relieves you of other obligations under applicable federal, state, and local law.
- B. Enforcement action. Civil penalties of up to \$25,000 may be assessed for each day of each violation under section 22a-131 and 22a-438 of the Connecticut General Statutes. Notwithstanding the issuance of this Notice, the DEP may seek such penalties and may issue an order, seek an injunction, or take other legal action under Chapters 439, 445, and 446 of the Connecticut General Statutes.
- C. No assurance by Commissioner. No provision of this Notice and no action or inaction by the Commissioner shall be construed to constitute an assurance by the Commissioner that actions you may take to address the violation(s) alleged herein will result in compliance.
- D. Staff contact. If you question any of the information contained in this Notice, you may contact Gene Shteynberg of the Bureau of Waste Management at (860) 424-3283, 79 Elm St., Hartford, CT 06106-5127.
